Dear Parents / Guardians,

Kindly accept my greetings on the commencement of the new session 2024-25. Hope the previous session might have been wound up in a very congenial and cheerful note as your ward have been promoted to next level with gratifying outcomes.

Multi dimensional evolution of a child occurs in the premises of the school; as such it has been a very challenging and arduous task to obtain expected multi pronged development in all mental, physical and behavioural aspects. These goals might be achieved if positive and desirable cooperation of the parents could be attained.

The change or transmutation is perpetual phenomena that keep on occurring palpably or impalpably everywhere, as such, the same is inevitable in National Education Policy 2020 that emphasizing experiential learning through activities inside and outside class-room. This NEP-2020 is judicious, reasonable and scientific which shall enable the learners to attain competency with relevant learning outcome. Our curriculum frame work for each class is inclusive of all covered in the NEP-2020.

Here are some important points and we request all our parents to adhere to them for the smooth running of the new session commencing from Monday, the **4th April 2024**.

The Parents/ Guardians are hereby requested to confirm the re-admission of your ward / wards before the commencement of the new session.
